She Has A Name is a strong community of abolitionists that exists to fight human trafficking through education, collaboration, and survivor care.

## Survivor Care

We have partnered with Harrison College through Strategies for Success. This 7-week scholarship program provides survivors with the opportunity to discern vocation and meet valuable resources, preparing them for what's next.

We love Columbus and desire to see united efforts in our city. We have chosen to partner with organizations by providing connections between existing resources, training volunteers and offering workforce development for the individuals they serve.
